Dear Sirs:

Will you pls. lay aside for me the 100 37 tokens that I had selected but did not take. One had a Steer on one side and the other had an old Lib. Head on Ob, I think. You asked 80¢ for the former and $1.00 for the latter. I will call for them the first Chance I have.

Very Truly

Dear Sirs: I am going to R/H to get some balance of milk The package of medals came. Your prices are too high and I do not want you to send me anymore. I would like to get some Hand Dun Stakus - but am afraid your figures will be prohibitive. I may take some of the medals sent 30" to 40" crotch grass - but only at 75 % reduction — same as last lot. I only care for medals — Stakus me - that are politically historical

Very respectfully,

W. P. BEAVER, Auditor.
